

PAC PDM #1 Tuesday, March 12 2024 8:30 – 10:17 PM

Participated Presidents of following divisions:

Arizona (Deputy and former President), Connecticut, Florida, Long Island, Michigan, North California, Ohio, Western NY, Eastern Massachusetts (sent a message).

The meeting was recorded but unfortunately cannot be accessed yet.

On Wednesday, I received the Financial Statements for the past 2 years (attached) thanks to the intervention of Dr. Mark Pienkos. Ryszard Brzozowski and my requests were ignored.

We talked about:

- Financial Statements – presented from 2015-16 as no one had current ones
- Dues –amounts justified after a significant reduction in EC expanses
- Speaking with one voice – what it takes to achieve it
- Commemorating 80th anniversary of PAC – advertising proposal in “Flavor of Poland”

We decided:

- wait for the announcement of the EC budget before we start discussing what the dues and fees for National Directors should be
- meet again as soon as the budget is sent
